

## What Can I do?

1. Identify the best places to reach children and families in your community—parks, community centers, backyards, apartment complexes, boys and girls clubs—anywhere children gather!
2. Start praying now for your *5-Day Club*, the children and families who will be reached and for your church to be able to build strong and lasting relationships with them.
3. Consider hosting a *5-Day Club* in your own backyard or talk to your pastor and church leaders about partnering with *CEF* to reach your community for Christ.
4. Contact *CEF* and ask for a team to teach a club in your community or to find out how YOU can volunteer this summer as a teacher or helper!
5. Give to invest in impacting your community for Christ.

## About Child Evangelism Fellowship

*Child Evangelism Fellowship* is a Bible-centered, worldwide, organization composed of born-again believers whose purpose is to evangelize boys and girls with the Gospel of the Lord Jesus Christ and to establish (disciple) them in the Word of God and in a local church for Christian living.

## Ours is an urgent ministry.

We must reach people for Christ while they are children! Pollster George Barna's studies confirm this urgency. He has found that if people do not trust Christ as Savior by the time they are teenagers, there is little chance that they will do so.\*

Reaching children for Christ is also a highly fruitful ministry. *CEF* has opened ministry in many countries, including the U.S. Last year we presented the Good News of salvation to millions of children!

### Impacting Your Community for Christ This Summer!

**CEF**  
CHILD EVANGELISM  
FELLOWSHIP  
Since 1947

## ▼ What is a 5-Day Club?

**5-Day Club®** is a unique and effective way to reach the children and families in your community. For 1 ½ hours each day (Monday – Friday) children ages 5-12 gather to play high-energy games, hear exciting Bible lessons, missionary stories and sing upbeat songs that teach unforgettable truths!

There's action, fun and relationships with people who care and want them to know the One who loves them the most—*Jesus!*

Each summer thousands of children around the world come to know Christ through the clubs.

## ▼ Here's How! 5-Day Clubs...

- Provide fun, safe activities kids love!
- Take vacation Bible school "on the road" to reach unchurched children.
- Effectively tell the children in your neighborhood about Jesus.

## ▼ Who teaches 5-Day Club?

Teachers and helpers are screened and trained by **Child Evangelism Fellowship®** and learn how to lead clubs and teach Bible lessons, songs, memory verses and missionary stories.

Best of all, they learn how to counsel children who wish to trust Christ as Savior. With over 75 years of experience, **CEF®** has developed materials that capture children's attention, teach them biblical truths and help them understand and respond to the Gospel.

- Help your church build relationship in your community and welcome new people into your church.

## ▼ What is the follow-up plan for 5-Day Club?

We encourage all children to go to a Bible-believing church and to attend a **Good News Club®** during the school year. These clubs, held once a week in schools, homes and other locations, present the Gospel through Bible lessons, memory verses, songs and other fun games and activities. At **Good**

**News Club**

children
