Three Legged Relay Race

Materials: One scarf or cloth for every pair of children.

Have each team break off into pairs. Take one scarf and tie together the inside ankles of the pairs while they stand hip to hip. Mark off a starting line and finish line for the players to race. The first pair runs down to the finish line, returns to starting line and tags the next pair. The first team to have all players cross the finish line is the winner.

In our lesson last week, the number 3 was mentioned two times. Can you tell where? (3 men on the cross, Jesus hung on the cross for 3 hours) In our story today, three will also be an important number. Can you guess how? (Jesus rose after 3 days in the grave)
