

10 Commandment Press

Form two teams and then pair up team members. Provide two paper tablets with the 10 commandments on it for each team. The goal is to run to a finish line by while holding the tablets between them – no hands! If a pair drops their tablets, they must return to the start line and begin again. The team that has all their pairs complete the race first wins. The tablets and commandments are in the resource pack. For those who are not fully adopted by a church and are using power point, you can make copies found on the in-house cd.

Discuss: Can you keep all of the 10 commandments on our own? Why not? If you can't keep them, why did God give them to us? (He didn't give us the 10 commandments to change our behavior but instead to point us to a need for a Savior.)

How can you possibly keep the 10 commandments? (Once you accept Christ as your Savior, you receive God the Holy Spirit, who through His power will begin to change your behavior.)

Just like you needed the help of your partner to carry the 10 commandments, you need the power of the Holy Spirit to help you keep them. Your sinful nature will keep you from obeying them on your own so you need to have a relationship with God and depend on Him to carry out last week's Word up: God's Way is Best!
