Christmas Party Review Game - Beat the Ball

Materials – foam or tennis ball(s)

Lead the Game:

1. Have the kids quote John 3:16 -17. We learn what love is like by looking at Jesus' life. Let's play a game to think about some of the different ways Jesus showed love.
2. Students sit in a circle in the middle of the playing area.
3. Give the ball to one student. Student tosses the ball to any other student in the group. As soon as the student tosses the ball, he or she gets up and begins running around the circle. Student who caught the ball passes it to the student next to him or her. Students quickly pass the ball around the circle, trying to get it back to the student who caught it before the runner returns to his or her seat.
4. Student who gets beaten (either the student who first tossed the ball or the student who first caught the ball) names one thing Jesus did to show love while He was here on Earth. Repeat with different children as time allows. (You could also do 2 teams if you have more than 15 children.)

Discussion question:

1. What is one way to show love like Jesus did when you are at school or in your neighborhood? (Forgive someone when he or she says something rude or mean to you. Invite kids whom other kids usually ignore to play with you.)
