## Promise Relay

Make 2 copies of the Promises verse sheet. (See attached promises sheet) Cut the verses apart and place them in a basket or bowl at the finish line for each team. Divide the children into two teams. Run a relay with the team members running to the finish line and shouting out a promise of God that they choose out of the container (for those who can't read, have a leader at the finish line reading the promise for them) The child will run back to their team and the next player will run to the basket and pull out a promise to read. Continue the game until all have had a chance to choose a promise and read it or have it read for them. First team done is the winner. The promise should be removed from the container after it has been used.
