

IPEAR for ONE WAY

Introduction: How many of you have ridden in a car? How about in a bus? Has anyone ever flown in a plane? *(Allow response after each question.)* There are lots of ways for people to get from one place to another. But how do we get to God? The Bible says there's only one way to get to God and live with Him forever. Listen to this song to find out what the one way is!

Presentation: *(Sing the song for the children while showing the motion.)*

Explanation: Did anyone hear what the one way is to be with God forever? *(Allow response.)* Jesus is the only way! Some people believe there are many ways to get to God and be with Him forever but the Bible says that Jesus, the Son of God, is the only way. Jesus came to Earth, lived a perfect life, died on a cross and came back to life so you could have your sins forgiven and be able to have new life with God. When you have this new life, God is always with you, you have a special friendship with Him and you are able to live His way. This new life starts when you believe in Jesus as your Savior and it lasts forever! Even after your life on Earth is done, you will go to live with God in Heaven.

Application: *Unsaved:* Believing (trusting completely) in Jesus as your Savior is the only way to be with God. If you have never believed in Jesus, you can do that today! You can have a friendship with God when you believe in Him.

Saved: If you believe in Jesus, God is always with you! You have a special friendship with God! Isn't it amazing that God has made it possible for us to get to know Him and talk to Him? He will always be with you.

Repetition: *(Have the children stand and sing the song with you using motions.)*
